***St Nathy's Student Wins BMW Assembly Prize***

Councillor Michael McGreal, Border, Midland and Western Regional Assembly, presented Stephen Curley, a student of St Nathy's College Ballaghaderreen, with an Apple iPod which he won for his participation in the Graduate online quiz. The quiz encourages students to develop an understanding of public administration and the role of State Agencies in Ireland. Cllr McGreal said he was delighted that Stephen was one of the successful winners.

Councillor McGreal also stated that over the past number of years, the BMW Regional Assembly had actively promoted awareness of regional issues and of the role played by the Regional Assembly and the Graduate Quiz was one means by which they did this. He stated that he was encouraged by the number of young people participating in the competition and said it was a novel way to encourage students to learn about the workings of the various state agencies.
